MY GREAT-GRANDMOTHER *

EMMA TIPTON GILLET

MANY FRIENDS AT FUNERAL SERVICES OF MRS. GILLET

The funeral of Mrs. F. Z. Gillett was held from the Christian church in Burlington at 2 o'clock Sunday afternoon and a large crowd attended the funeral. Rev. S. H. Battey conducted the services. Mrs. S. H. Arley, Mrs. Lewis Eccles, W. J. Phares and Ancil Beavers sang "Beautiful Isle", "Shall We Gather at the River" and "No Night There". They were accompanied at the piano by Miss Melita Hamman. Pallbearers were Solen Paxson, B. B. Snell, Howard Patterson, Harry Pennock, E. O. Grant and E. G. Woods. Interment was in Grace-land cemetery.

Emma Tipton, eldest child of Roads and Rebecca Tipton was born near Lawrence, July 6, 1854 and departed this life January 21, 1932. Mrs. Gillett moved with her parents to La Cygne, when a small girl. Here she was united to Freeman Z. Gillett, October 16, 1870. They came to Coffey county in about the year 1873, homesteading the place where she resided at the time of her death. "Grandma", as she was known to her friends knew the trials and hardships of pioneer life.

To this union were born seven children, three having preceded her in death Woods, Frank and Ella Swibold. Those left to mourn her departure besides her aged husband are her three sons, Wilson and John F. of near Burlington, Edward of Osawatimie and one daughter, Mabel McEnterfer of Emporia. Nine grandchildren and eight great grandchildren and other relatives and a host of friends. Mrs. Gillett was converted in a meeting held at what is known as the Gillett school house a great many years ago, having no class at this place she never placed her membership elsewhere. Mrs. Gillett was a woman who lived at home administering to the needs of her family and was loved by all who knew her.

WHAT I KNOW about RHODES TIPTON in IOWA in the 1850's

1. His actual whereabouts is unknown in 1850. Could he have gone on one of the expeditions originating in Van Buren County in 1850 (one led by Capt. Zechariah Walker, for example) to the gold fields of California?
2. Most of his minor children are found in one Van Buren home or another at the taking of the census in 1850. See the Iowa census of 1850 for Van Buren County, Iowa, page 14.
3. It is known that on 22 September, 1853 widower RHODES TIPTON was married to widow Rebecca Forbes Moore in Van Buren County, Ia. (Microfilm #09677640, LDS Archives, Salt Lake City). See pg. 8
4. Between marriage and July of 1854 this couple moved to the newly created Territory of Kansas, taking their combined families with them, which including in-laws and grandchildren numbered at least 18. See Pgs. 3 and 19.

WHAT I KNOW about RHODES and REBECCA TIPTON in the 1860's in the State of Kansas

1. In 1860 they resided as farmers in Scott Township of Linn County (near the settlement of Brooklin), together with the 3 children of their marriage. See Ks. census of 1860, page 22.
2. Between 1854-1861 Kansas Territory suffered a brutal guerrilla war - a prelude to the great Civil War - which involved Old John Brown of Ossawatimie, Sen. Jim Lane, James Montgomery, Hamelton and Quantrill and others. Much bloodshed came to those eastern Kansas counties bordering the state of Missouri, especially in Linn County where Rhodes Tipton lived. His family did not escape the suffering all too common to that area. See pg. 17
3. Thelma Hegwald (Emma Tipton Gillet's granddaughter) reports that RHODES TIPTON was killed in the "civil war", in 1861 in Linn Co. While I have not been able to confirm this with any documentary evidence, I believe his death may have resulted from the guerrilla conflict raging between the Kansans and the Missourians at that time.
4. Two sons of RHODES TIPTON of Linn County, Ks. enlisted in the great Civil War (the WAR BETWEEN THE STATES): (1. William Tipton, Co. F, 14th Ks. Cav; he died in military service 6 July, 1864 at Fort Smith, Ark. (2. Charles B. Tipton, a cook in Co. H, 7th Ks. Cavalry. NOTE: Rhodes' other grown son - Jarrett Daniel Tipton moved with his family first to Nevada Territory (Ruby Valley) in 1861, and then to Arizona Territory in 1870; he died in Phoenix in 1915.

Four sons of John Tippie, jr. of Linn County, Ks. enlisted in the Civil War - all in the Ks. Cavalry, namely, Joseph D., Granville C., Hathaway D. and Phillip T.

Three sons of Dr. Michael Tippie, sr. [of Mapleton (Bourbon County), Ks.] all enlisted in the same war; namely, Alexander L.; and Michael jr. and Reason, both in the 4th Ks. Volunteers. (Source: Ks. Mil. Civil War records, film #0881 844-845, LDS archives).

5. REBECCA TIPTON, widow, owned several farms - 2 in Linn County - one, the old Tipton place in Scott Twp. near Brooklin; the other, on the Marais des Cygne River. And she inherited the farm of her unmarried son Alexander Moore killed in the Civil War at Helena, Arkansas in 1863, a piece of land over in Coffey County, Ks.

RHODES TIPTON may have had a TIPPIE lineage connection via John Tippie Sr., the farmer-miner and Uriah Tippie, the Revolutionary War soldier as all were of Athens County, Ohio

I. I BELIEVE THIS ON THE BASIS OF VARIANT SPELLINGS OF THE FAMILY NAME (i.e. Tippe-Tippy-Tipton, etc.) IN EARLY RECORDS. For example,

1. Regarding URIAH TIPPIE of Athens County, Ohio, he was Tippy in Pa. in 1800, but Tippey in Athens Co., Ohio in 1803; and in the same place as Tipton in 1810, Tepper in 1820, Tippy in 1830, with his name transcribed both Tippy and Tipton in 1840.

Even his Revolutionary War papers (#W25487) record him arbitrarily as Tippey, Tippy, Tippie, and once as Triplett, while the Pennsylvania Archives American Revolution Notes render his name as Tipy, Tippy, and Tippe - all three!

2. Regarding John Tippie Sr, the farmer-miner of Athens Co., Ohio, he was Tipton in the census of 1810, Tepper in 1820, Tippy in 1830 and 1840, but Tippee in 1850, but this same man in Kansas Territory in 1859 was John Tippie.
3. Regarding John Tippie Jr. (son of John, Sr) of Athens County, Ohio and later of Kansas, he was formerly identified as Tippe, Tippy, Tippe and Tipton, he became Tippie in 1850.

II. I BELIEVE THIS ON THE BASIS OF PROXIMITY OF GEOGRAPHICAL LOCATION

A. IN LIFE

1. 1840 Ohio census of Athens County shows that Rhodes Tipton lived in Athens Township; John Tippie sr. lived in Athens Township also John Tippie jr. lived in Ames' Township while Uriah Tippie lived in Alexander Township. See pg. 11.
2. In 1860 In Linn County (Scott Township), Kansas lived Rhodes Tipton, formerly of Athens County, Ohio, with his wife Rebecca and 3 small children. See page 22.
3. In 1860 in Linn County (Scott Township), Kansas lived A.M. (Ann Margaret), widow of John Tippie Jr, formerly of Athens County, Ohio, with her 4 small children. See p. 26.
4. In 1860 in Linn County (Scott Township), Kansas, lived Ezra Tippie (son of John, jr.); he is still here in 1870. p. 26.
5. Is the Rhoda Ward with 2 Tippies in residence on the same page 26, John Tippie Sr's daughter who married Abe Ward???
6. In 1860 in Bourbon County (town of Mapleton), Kansas lived Dr. Michael Tippie and family. This^a only 2 miles south of Linn County. See page 27.

B. IN DEATH

1. John Tippie Sr. died in July 1859 and his wife Elizabeth, both of Kansas, one month later; both were buried at Graveyard Mound, near Brooklin (Linn County)—the settlement where Rhodes Tipton lived.
2. That same year their son John Tippie Jr. died in Sept. of typhoid, and he too was buried in the same place as his parents - Graveyard Mound at Brooklin; he had lived in Paris Township.
3. Two years later Rhodes Tipton of Brooklin (Scott twp., Linn Co.), Ks. is alleged to have died in 1861. I cannot confirm.
4. April 29, 1866 Joseph and "Sam" (Granville?) Tippie, sons of ~~John Jr.~~ Tippie of Linn Co. were lynched in Crawford Co., Kansas. See page 28.
5. Dr. Michael Tippie, formerly of Athens County, Ohio and Mapleton, Ks. died in Ks. in 1881. See pg. 27

III. I BELIEVE THIS ON THE BASIS OF CERTAIN FAMILY PERSONALITY TRAITS.

- A. Prominent family heads restlessly moved ever Westward - Pa. to Oh. to Ia. to Ks. to Nev. and Ariz. And in the vanguard- for Uriah the soldier was the first Tippie in Ohio, Rhodes Tipton was the first of his name to go to Ks., and Jarrett on to Nev.
- B. All were farmers.
- C. Uriah the Revolutionary War soldier, John Tippie Sr. the farmer-miner, and Rhodes Tipton living amidst the guerrilla wars of Ks. (grandfather, father, son ???) could neither read nor write but most of the clan was literate to a greater/lesser degree.
- D. Several of the clan moved to mining areas - John Sr. and John Jr. in Ohio, Rhodes Tipton in Iowa, Jarrett in Nev. Did Rhodes go on the 1850 gold expedition to Calif. from Iowa?

I WILL SHARE INFORMATION

In my long research of the Tippie-Tipton clan and its westward migrations, I have come by considerable store of information gleaned from one record or another. But, of course, I still have more questions than answers.

But I will refer to my files, if I can be of help to you in your ancestor search.

JOHN MILLER TIPPIE FAMILY

My great grandfather was John Miller Tippie, son of Uriah and Leah (Cox) Tippi. He was born December 3, 1847 and died February 11, 1931, Dover Township. He was a Civil War veteran, farmer and rural mail carrier in Athens County. His father, Uriah, was born December 20, 1807 and died March 29, 1883. His mother, Leah (Cox) Tippie, was born December 5, 1822 and died February 27, 1899. They were the parents of 18 children.

My great grandfather, John Miller Tippi, married Margaret Ann Robb in December 1870. Margaret was the daughter of Eli and Polly (Pierce) Robb. She was born May 14, 1854 in Mercer County, Pa. and died November 1, 1923. John and Margaret were the parents of 11 children; the youngest was my grand mother, Ida Iona M. Tippie, born in Poston, December 30, 1893 and died February 1, 1977, Athens County. She married Robert Goodman, son of Robert and Martha (Thomas) Goodman, on July 1, 1916 in Parkersburg, W. Va. They were the parents of one son, Gerald Robert Goodman, born February 22, 1918, in Poston, Dover township.

My grandmother, Iona, owned the Park Hotel in Athens, owned and operated several restaurants in Chauncey and Alderman Road, County Road 111, Dover township, called the Big Elm Inn. She opened the Big Elm Inn in 1940 and it is still in operation today, 47 years later. Her son, Gerald, and his wife, Ruth, operate the small old fashioned bar, its interior painted pink and green, located in the basement of the Goodman residence. It is a gathering place for friends and neighbors, many former patrons return

each year during O.U. Homecoming and Labor Day just to reminisce about the good old days.

Gerald is a veteran of World War II, serving with the Army 1501st Engineer Water Supply Company, stationed in England, France and Germany. He was awarded the European African Middle Eastern Service Medal with 5 Bronze Stars. He also fought in the Battle of the Bulge. He married Ruth Marie Stewart, daughter of Leonard and Bertie Lou (Ginger) Stewart. They are the parents of two children, Gerald R. Jr. and Janice Sue.

JOHN MILLER TIPPIE FAMILY

My great grandfather was John Miller Tippie, son of Uriah and Leah (Cox) Tippi. He was born December 3, 1847 and died February 11, 1931, Dover Township. He was a Civil War veteran, farmer and rural mail carrier in Athens County. His father, Uriah, was born December 20, 1807 and died March 29, 1883. His mother, Leah (Cox) Tippie, was born December 5, 1822 and died February 27, 1899. They were the parents of 18 children.

My great grandfather, John Miller Tippi, married Margaret Ann Robb in December 1870. Margaret was the daughter of Eli and Polly (Pierce) Robb. She was born May 14, 1854 in Mercer County, Pa. and died November 1, 1923. John and Margaret were the parents of 11 children; the youngest was my grandmother, Ida Iona M. Tippie, born in Poston, December 30, 1893 and died February 1, 1977, Athens County. She married Robert Goodman, son of Robert and Martha (Thomas) Goodman, on July 1, 1916 in Parkersburg, W. Va. They were the parents of one son, Gerald Robert Goodman, born February 22, 1918, in Poston, Dover township.

My grandmother, Iona, owned the Park Hotel in Athens, owned and operated several restaurants in Chauncey and Alderman Road, County Road 111, Dover township, called the Big Elm Inn. She opened the Big Elm Inn in 1940 and it is still in operation today, 47 years later. Her son, Gerald, and his wife, Ruth, operate the small old fashioned bar, its interior painted pink and green, located in the basement of the Goodman residence. It is a gathering place for friends and neighbors, many former patrons return

each year during O.U. Homecoming and Labor Day just to reminisce about the good old days.

Gerald is a veteran of World War II, serving with the Army 1501st Engineer Water Supply Company, stationed in England, France and Germany. He was awarded the European African Middle Eastern Service Medal with 5 Bronze Stars. He also fought in the Battle of the Bulge. He married Ruth Marie Stewart, daughter of Leonard and Bertie Lou (Savage) Stewart. They are the parents of two children, Gerald R. Jr. and Janice Sue.

Dear Gladys,

Enclosed you will find papers of where (old) Uriah was born and also his father and grandfather.

I have found after the lists of Tippie was Tipton but never knew of any connection. But also that maybe our missing links too.

Tippie has various spellings.

Uriah had brothers so it is stated, Phillip and ~~xxx~~ George, and we have never got to research those two yet.

Uriah and Sarah Ann must have had two children that drowned as the article says. Then the 4 listed and she died and he married this Suaannah Chadwick. But have found nothing on their children if they had any. Feel that had a Conrad and could have had a Phillip ~~xxx~~ also.

I have information on John St. and Michael. Some stuff on ~~xxx~~ Henry and we feel some of our families belong to him.

Michael is Marvin's descendent or rather Marvin is a descendent of Michael's. So have plenty of information on that branch.

We are planning on a Tippie Family Reunion in July, 1989.

It will be held in lola, Kansas. We are planning a two day affair. Marvin and I and Nadine and Junior Kyser will be ~~xxxx~~ hosting it. We have done it twice now. Was in hopes someone would have it in another city or state. But Kansas seems to be the place they migrated too.

I belong to the Athens County Gen. Society, Athens, Ohio. *Address please*
Also belong to the So. Calif. Gen. Society. We are going to have our Jamboree May 15th. in Glendale, Ca. Should be lots of fun. Have ~~xxx~~ gone twice.

I would be very interested in what information you have on the Tippie's or and where you got the connection of Tippie and Tipton.

I will sure put you on the mailing list of the reunion.

I have a big list of people that we exchange information.

I hope I hear from you again, and hope this information will be of some help or fun to read.

Send me your phone number,

when I find information sometimes I like the phone contact.

Read an article where they think Old Uriah married 3 times. He saying goes if you are a Tippie you are related.

*Sincerely
Mildie

Mr. Geo. Tippie is lying dangerously low of typhoid fever. This family, five in number, are afflicted in a grievous manner, all except Mrs. Tippie being sick.

Athens Messenger, Sept. 7, 1876. p.5.

Died.

Tippie-Mr. John W. Tippie, son of Joseph and Anna Tippie, was born Sept 7, 1842, died at the residence of his brother, Mr. G.J. Tippie of Hibbardsville, Aug. 30, 1876.

The deceased was an estimable young man, highly beloved by all who knew him. He bore his affliction with great fortitude and patience and seemed to be impressed with the sad and coming event. His geneality and amiability as well as his natural and gracious goodness of heart, conspired to make it an occasion of unusually sorrowing interest. Men enjoyed the confidence of a large circle of friends, the respect of the community and his death will be sadly mourned by others than his sorrowing relatives. The funeral took place at the C.P. church, Rev. M. Dent, of Apelphea, officiating. It was largely attended and a sad solemn feeling pervaded the entire assembly, while many shed the sympathizing tear. The remains were conveyed to the Hibbardsville cemetery for interment.

WOLFE FAMILY HISTORY

Athens, O Alden Library - Ohio University

"We have heard Uncle Fred say that for many years their neighbor on the west was a man named John Tippie who had a large family and I have heard Uncle Joseph Tippie, who married my mother's sister Anna Wilkins, say that he was born there. Mr. Tippie sold his farm to William Mason Sr. who kept the farm in the family for many years..At present it belongs to the Harmon Kasler families."

THE MCDUGAL STORY

by Harold O'Neal

pg. 18

Joseph Tippie 1809-1894 perhaps descended from very early residents in the township, he married Anna Wilkins 1812-93. She was the daughter of Mrs. Jehu James, was the mother of

Florence (James)Bobo and Fred James. Part of the Joseph Tippie land was the late Harry Bobo farm.

All of the original records of the church have been lost.
(McDougal Church)

In 1899 McDougal Church was used as a school and Geo. Tippie's children were in attendance. Audrie, Edna, John and Mattie.

The Alexander Presbyterian Church is now celebrating it's 150th Anniversary. All early records and artifacts available are now on display there. Usually these are stored in the archives at O.U. library. I will get there to see these. Old Uriah died at Alexander.

Uriah Tippie: Sketch of the Pioneer Family

Submitted By Beverly Schumacher

[The following biographical sketch of Uriah Tippie was written as a part of the centennial celebration contribution of the Athens County Pioneer Association. Uriah's son, Joseph Tippie, who probably supplied the information for the sketch, was born in Athens County in 1809 and was a member of the Pioneer Association. He now is included as a Pioneer, #23, in the First Families of Athens County through the application of his descendant Beverly Schumacher. The original manuscript, prepared by A. B. Walker, Secretary of the Pioneer Association in 1876, is housed in Ohio University's Archives/Special Collections in Alden Library. This document, included with a number of other early pioneer sketches prepared by A. B. Walker, might be used as documentation for First Families of Athens County. (A list of members of the Pioneer Association was included in Vol. 7, pp. 64-66 of the Bulletin.) Beverly Schumacher has submitted this article to assist those individuals who will apply for FFAC in conjunction with next year's combined banquet and Tippie reunion. The Tippie sketch is transcribed verbatim in this article.]

"Uriah Tippie, an early Pioneer came to this county in the Spring of 1800, with his family (his second wife) and three children, along with the family of Abner Connett, — from Westmoreland County, Pennsylvania. They reached the mouth of the Hockhocking river in a Boat and thence ascended the River in canoes to Athens, and together raised a crop of corn that season, a few miles above Athens and near the mouth of Sugar Creek."

"Mr. Tippie and his son John, a boy of 14, soon after settled in the North part of Ames township near Nathan Woodbury's place, — the neighborhood being well known then, and ever since, as the 'hill settlement of Ames,' where he lived many years."

"Previous to his coming to the Northwestern territory Mr. Tippie and his young family, then living in the valley of the Lehigh river, in Pa., came near

being drowned on an eventful occasion named."

"He and his family occupied a small log house near the Lehigh river, when during a stormy night, they became surprized [sic] to find the water surrounding the house, and later in the night the family had to repair to the loft for temporary escape from the water."

"But the danger increased steadily till the water reaching the chamber floor and the chimney giving way, the house floated off some distance, when upon meeting an obstruction, it fell apart and their two children were drowned."

"Mr. Tippie and his wife clung to a log and drifted down the stream in the dark about 3 miles, when he caught the limb of a little tree and puled [sic] himself up out of the water. His Wife drifted on about a mile further, when coming in contact with another tree, she too, succeeded in drawing herself up into a position of comparative security."

They had no knowledge of each others condition, — were surrounded with water and so remained till near sunset the next day when they were both taken off the trees. He was on a smooth bark tree, and during the day waiting to be rescued, suffered very much from thirst, but feared to slip down the tree for water lest he should be unable to regain his original position."

"The two children were both found after the flood subsided, — one had drifted into the top of a plum tree in a field near the river, and the other in a drift."

"The son John, who came with his father to this this [sic] county, as related above, many years after removed to Kansas, where he died in 1858. Another son, Michael, is now living in Kansas 78 years old."

"Mr. Joseph Tippie, a grandson of the old Pioneer, now lives in Dover Township in this County, where he has raised a respectable family of eight children, with 18 Grand children, one of them 23 years old, and their social circle never having been invaded by death."

NO other Tiptons in the entire state of Maryland. No Tiptons in Md. in 1776 Census.

On November 28, 1901, Mr. Slates was married to Emma Finnicum, a daughter of A. W. Finnicum, and they have three children, namely: Harry J., Dorothy Fay and Dora May, the last two named being twins. Mr. and Mrs. Slates and their children are members of the Methodist Episcopal Church of Hanover.

A. W. Finnicum, father of Mrs. Slates, was born in Rumley Township, Harrison County, December 26, 1849, a son of George and Lydia Ann (Hilbert) Finnicum, and grandson of Thomas and Phoebe Finnicum. Thomas Finnicum was one of the early settlers of Rumley Township, where he spent the remainder of his life. He had come to Harrison County from England, which was his native land, but stopped for a brief period in Pennsylvania, where his son, George Finnicum, was born.

George Finnicum grew to manhood in Rumley Township where he became a farmer, and he was engaged in this line of work all of his life. The children born to George Finnicum and his wife were as follows: Thomas, Jennie, Mary, A. W., Hattie, George, Allen, Frank and one other.

Until his marriage A. W. Finnicum, who had been reared in Rumley Township and educated in its schools, worked among the farmers of that region, but afterwards he began farming on his own account, and has been a resident of Archer Township ever since. He and his wife own ninety-two acres of land and live along the Cadiz and Jewett turnpike.

In 1872 A. W. Finnicum was united in marriage with Amanda Carnaga, a daughter of Manassa and Elizabeth Carnaga, and they became the parents of the following children: George, who died at the age of four years; Joseph Frank, who died in childhood; Emma, who is Mrs. Slates; Blanche; Elmer; Myrtle; Mary and Jessie. Mr. and Mrs. Finnicum belong to the Presbyterian Church. Both the Slates and Finnicum families stand high in public estimation, and those bearing one or other of these names have every reason to be proud of their honorable line of upright, industrious ancestors.

ALONZO TIPTON is a representative of the third generation of the Tipton family to be actively and successfully identified with productive farm enterprise in German Township, Harrison County, where he owns and operates an excellent farm of 105 acres. He was born in this township, on the 13th of November, 1879, and is a son of William M. and Elizabeth Jane (Gotschall) Tipton, both likewise natives of Harrison County, where the former was born April 6, 1844, and the latter on the 22d of July, 1851, their marriage having been solemnized June 8, 1876.

William M. Tipton devoted his active career to farm industry, in German Township, and was one of the substantial and highly respected citizens of his native county at the time of

Tipton was a son of William and Jane (McKittick) Tipton, the former of whom was born in 1811 and the latter in 1815. William Tipton was born and reared in Pennsylvania and became one of the pioneer settlers of Harrison County, Ohio, where he long held prestige as one of the substantial farmers in German Township. Mr. Tipton held membership in the Methodist Episcopal Church and his wife was a member of the Presbyterian Church. They became the parents of ten children: Mary Ann, Drusilla, Albert and Alexander (both died in early childhood), Catherine (Mrs. Philip People), Edmund (died in young manhood), William M. (father of the subject of this review), Eliza Jane, James Stewart, and Julia Ann (Mrs. Marion Houser). Mr. and Mrs. William M. Tipton became the parents of three children: Amidella is the wife of Frank Davidson and they reside in the State of Iowa; Alonzo, of this sketch, was the next in order of birth; and Leander is a resident of German Township.

Alonzo Tipton was reared to the sturdy and invigorating discipline of the farm and profited duly by the advantages offered in the district schools of German Township. He has from his youth been continuously identified with farm industry in this township and is one of the progressive exponents of agricultural and livestock enterprise in his native county, where his circle of friends is coincident with that of his acquaintances. He has had no desire to enter the arena of practical politics but gives loyal support to the cause of the republican party. His wife is an active member of the Center Unity Presbyterian Church.

On the 27th of December, 1902, Mr. Tipton was united in marriage to Miss Mary Helen Busby, daughter of Edward H. Busby, of whom individual mention is made on other pages of this volume. Mr. and Mrs. Tipton have four children, whose names and respective years of birth are here designated: Beatrice Lucille, 1903; Fred Alonzo, 1905; Gayle Busby, 1908; and Hazel Elizabeth, 1914.

DUDLEY MELVILLE MASTERS is one of the substantial business men of Carroll County who is devoting his abilities to merchandising, and owns a general store at New Harrisburg, Harrison Township, which is a source of supply to the farmers for a wide radius. Mr. Masters was born at New Harrisburg, December 3, 1868, a son of David Marion and Sarah Ann (Barr) Masters, of English stock. The grandfather, Isaac Masters, was born in Westmoreland County, Pennsylvania, and died in that county when he was seventy-one years old. He married Mary A. Thompson, and they had two children, of whom David M. Masters was the elder, his sister being Sarah Jane, who married Isaac B. Woods and they live at Malvern, Ohio. After the death of her first husband, Mrs. Isaac Masters, grandmother of Dudley M. Masters, married George Washington Criswell, of

AQUILA TIPTON³, farmer, Nottingham Township, Harrison County, is a son of Aquila Tipton², who was a son of Aquila Tipton¹. It is not known where Aquila Tipton (first) was born, but the first known of him was at McIntire, Jefferson Co., Ohio, where he settled in a very early day, and thence moved to Stock Township, Harrison County, where he entered 160 acres of land near Deersville, now owned by Abel Smith and Marion McElray. When he came to this property he had to cut his own road through the forest from Jefferson 1800, Mrs. M. C. Tipton, Charles A., born August 4, 1832, is deceased; Jared, born September 4, 1834, is deceased; Ephraim, born May 4, 1836, is deceased; Aquila, born May 24, 1838, is the subject of this sketch; Martha, born in 1840, is deceased; Nancy, born August 31, 1841; George W., born September 7, 1844, is a resident of Archer Township, and Thomas B., born September 15, 1856, resides in Illinois. Mrs. Tipton departed this life May 4, 1871. Mr. and Mrs. Tipton were members of the Methodist Episcopal Church for many years; politically he was a Republican.

²**Aquila Tipton**, our subject, was born on the old farm first entered by his paternal grandfather, where he grew to manhood and was educated at the common schools. On April 28, 1861, he was married to Miss Maria Scott, who was born July 25, 1840, a daughter of Charles and Margaret (Dodds) Scott, former of whom was born in Jefferson County, Ohio, and latter in Ireland. Our subject and wife are parents of seven children, viz.: Oliver B. and Margaret I. (twins), born January 16, 1863, residing at home; Scott P., born April 18, 1865; Annie E., born May 7, 1867, wife of Jamison Cope, of Nottingham Township; Horace S., born May 23, 1871; Woody C., born October 16, 1875, and Can. A., born March 19, 1883, all three living at home. After his marriage Mr. Tipton removed to Guernsey County, where he remained one year, and then returned to Deersville, where he was employed for some time at various kinds

of labor. He then purchased a part of the old farm on which he remained till October, 1882, when he bought the farm he now owns, which contains seventy-one and one-fourth acres in Section 6, Nottingham Township. Politically he is Democratic, and has held several public offices in his township. Mrs. Tipton is a member of the Methodist Episcopal Church.

PHILIP ROWLAND, a descendant of one of the earliest settlers of Harrison County, was born May 25, 1825, in Nottingham Township, Harrison Co., Ohio. The Rowland family had its origin in Maryland, where John, the grandfather of Philip, was born, and where many years of his life were spent. He was there married to Rachel Engle, and reared the following family: William, James, Mary, Levi, Betsy, John, Cyrus and Rebecca. Soon after his marriage he removed to what is now West Virginia, where he remained until 1801, when he started on a journey westward, and after much search for a suitable abiding place, selected a tract in Moorefield Township, Harrison Co., Ohio, and then returned for his family. Their journey hither was made in a covered wagon, and many were the hardships and dangers they passed through before they arrived at their destination, the wagon on one occasion being upset while crossing a river, and the family narrowly escaping from drowning. They, however, reached their future home, and moved into a log cabin, which had been erected for them. The forest was in its primeval condition, and filled with Indians and all sorts of wild animals. Mr. Rowland served as a private in the Revolutionary War, and after the close of that struggle he served his Government as Indian spy for three years, his territory extending along the Ohio and Muskingum rivers, his arms being the rifle, tomahawk and hunting knife. In company with a number of others he once was in pursuit of a band of Indian raiders, who had been committing depredations along the frontier, and had massacred a large number

Ohio. After his marriage Mr. Moore remained on the farm for some years, and in 1881 removed into the city of Cadiz, where he opened a boot and shoe store, which he carried on up to the time of his wife's death, when he sold the business, but in the following December reopened, doing now an excellent trade in the same line. Mr. Moore has made a success of life, and is highly honored for his upright principles. He is an elder in the Presbyterian Church; in politics a Republican.

C. R. TIPTON, one of the well-known citizens of Cadiz, was born in Green Township, **Harrison Co., Ohio**, August 19, 1846, and is a son of John M. and Jane Tipton, born in **Harrison County, Ohio**. His paternal grandfather, **Edmund Tipton**, was a captain under Commodore Perry, the hero of Lake Erie, and was one of the founders of the first Methodist Episcopal Church in his section. About 1813 or 1814 he came to Harrison County, Ohio, and bought a half section of land in Green Township, and from him the Tiptons, of **Harrison County**, are descended.

On November 12, 1867, Mr. Tipton married Miss Mary Swan, eldest daughter of Thomas and Nancy Swan, of Cadiz, and to this union have been born six children, three of whom are living and three deceased. The living are Bertha, John and Frank, at home. The deceased are Claude, the eldest, who died in August, 1886, at the age of seventeen; Carrie, who died aged about three years; the third died in infancy.

In April, 1864, Mr. Tipton enlisted in the One Hundred and Seventieth Ohio National Guards and took part in the battle of Snicker's Gap, and stood beside Harvey Haverfield, when that young comrade was shot in the temple by a minie-ball and killed. On one occasion he heroically rescued Maj. Judkins from drowning, that officer having sunk twice while in the Shenandoah River, which the troops were crossing after a repulse. Mr. Tipton is a member of McCready Post, G. A. R., and makes his home

in Cadiz, where he enjoys the respect of a large circle of acquaintances.

C. R. Tipton, from boyhood, has been a lover of horses, and early began breaking, buying and selling, and soon turned his attention to training trotters. He was the first to import into Harrison County fine stock from Kentucky, and has developed some very fast animals, including Belle Brasfield (2:20), Kate Campbell (2:25), Harry Robertson (2:20), Captain Douds (2:26 $\frac{1}{4}$), Hi Wilkes (2:20), Charlie Tipton (2:27 $\frac{1}{4}$), and many others. Mr. Tipton is still in the business, and is now also engaged with *Clark's Horse Review*, traveling all the time in its interest, his extensive acquaintance with breeders and trainers enabling him to do good and extensive work, which is enhanced by his familiarity with the pedigree of all the better families of blooded stock throughout the United States. *Edmund, of Shadrack #664 (Rev War)* ?

JAMES THOMPSON. This well-known citizen of Cadiz, Harrison County, well represents the first quarter of the nineteenth century in his section. He was born in Cadiz Township, Harrison Co., Ohio, March 3, 1818. His father, David Thompson, was a native of County Tyrone, Ireland, whence, when a lad of nineteen, he came to America in 1792, settling near Chambersburg, Penn., where he became a farmer. In his native land he had learned the trade of a weaver, but this he entirely discarded for the more pleasant pursuits of agriculture. He soon met, loved and married Miss Martha Gift, a native of Pennsylvania, of German parentage, and some time after his marriage he was chosen keeper of the Franklin County Infirmary, which position he held some five years. In the meantime his aged father, Joseph Thompson, who had come with him to America, died in Pennsylvania, and David and his wife removed, in 1814, to what is now Harrison County, Ohio, where he purchased, at six dollars per acre, 280 acres of land situated about one mile north of the town of Cadiz. Dear Gladys,

I recieved a letter from a genealogist in Van Buren County, Iowa, yesterday. She could find no record of Rhodes Tipton being in jail.

She also could find no records of the children being placed in foster care. Of course, she only searches Van Buren county. I know that Charles and Martha were in different counties, according to the census record of 1850.

I am still waiting for word from Athens County, Ohio, on Rhodes and his first wife and their children. It still stumps me and Lorri, that we can't find Caroline Powell's birthdate. Out of all the records that we have, no birthdate.

I have been trying to locate distant relatives, with no luck. I was searching for relatives, when I found you. I just look at who submitted the information. I've done really well, so far. I have had luck with distant relatives on my Mother's side of the family. I had one lady that got angry because I corrected her on some information that was incorrect, on my Great Grandfather. I have the family bible, or rather, access to it. My cousin has possession of it.

Well, better close and get ready for work. I will be in touch when we recieve information from Ohio.

Dear Cousin,

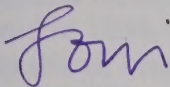

Thank you so much for the copies of your working notebook! What a treasure.

I am a member of the Tipton Family Association of America, and have been planning to send them an inquiry. Your information spurred me on. Enclosed is a copy of the letter I sent to them today. I hope all of the information is accurate.

I really think this family presents a fascinating story, and am determined to find the answers to the mysteries. Over the past several months I have been reading many histories of Kansas Territory between 1854 and 1865, including Nichols, Bleeding Kansas, McFarland, A Scattered People, Scott, John Brown of Harper's Ferry, Gladstone The Englishman in Kansas and, a bit off the subject, but wonderful context, Stratton, Pioneer Women, Voices from the Kansas Frontier. I know that I will be making a trip to Lawrence in the near future, I want to find out more about the Tipton and Powell lives during that time. I would love to get a copy of your narrative of Rhodes and Rebecca's pioneer experiences.

I wanted to get this letter to you and thank you for your material. I look forward to corresponding with you again soon.

Sincerely,

Lorri Sipes

Dear Mr. Tipton,

I have uncovered an interesting story, if not mystery, about my Tipton ancestors. When I first learned of the TFAA, early this year, I only knew of my grandmother, Caroline Tipton Powell. It seemed that she had three brothers, Charles, William and Jarrett, and along with her new husband, John N. Powell, they all had emigrated to Kansas Territory in 1854.

Well, as they say in the movies, "the plot thickens". In the 1850 Federal Census, not only Caroline and the three boys, but two additional daughters, are found living in Iowa, Ohio, and Pennsylvania, each with different families, most of whom are well-know abolitionists. Their father, Rhodes Tipton is nowhere to be found. However, in Van Buren County Iowa, 1853 he marries Rebecca Moore, with whom his youngest daughter, also named Rebecca, was living. Then he gathers up all of the other children, and in 1854, along with Rebecca's four children, and Caroline's new husband, heads for Lawrence, Kansas, stronghold of the abolitionists in the new territory. By 1857, the family has dispersed a bit - Rhodes and Rebecca are in Johnson County (half way between Lawrence and Kansas City), Caroline and John Powell are farming in Franklin County, just a mile from John Brown's infamous Pottawatomie Massacre, Charles and William are near Osawatomie, another John Brown landmark (and my mother's hometown).

To back up a bit with the story, Rhodes Tipton was also found in the 1840 census in Athens County Ohio. Sometime between the 1840 and 1850 census he moved his family to Van Buren County Iowa, and subsequently his first wife died. *First part of the mystery* - did she die in Ohio? or Iowa? There is no record in either place.

The second part of the mystery is Rhodes' whereabouts in 1850. His connections to known abolitionists and Kansas lead to the speculation that he may have been somehow active in anti-slavery events. Or, is it as simple as a man with 6 children, unable to care for them alone, finds homes for each child and sets off to find his fortune in the west; has second thoughts; decides go home, find a wife and pull his family back together?

Third part of the mystery - how is this Rhodes Tipton connected with other Tiptons in southern Ohio? One family in Jefferson County Ohio has children with similar names (William, born in Maryland, died in Jefferson Co. Ohio in 1879, wife Rebecca, children are Jarret, James, Nancy, Ruth, William, Rebecca and Charles, all born between 1810 and 1833 - *can Rhodes be the eldest son in this family?*)

If you have any insight into this mystery, or would kindly put the question to other TFAA members, I would love to know the answers to this fascinating story.

Sincerely,

Lorri D. Sipes

Dear Ms. Dodd,

I received your genealogy information on RHODES TIPTON from my first cousin, Bill Powell and wanted to thank you. I also wanted to share some of the work that Bill and I have done on our branch of the Tipton family, as we are descendants of Rhodes' oldest daughter, Caroline. Perhaps Bill has sent this all to you, but I will go ahead - I am enclosing the FGR for Rhodes' first family, and his story as I know it, without your information.

It certainly never occurred to me to check for imprisonment during Rhodes' absence in the 1850 census. However, his wife also disappeared - do you have any clues to her location?

I am in the process of digesting all of the material that Bill sent to me, and will probably have more questions as I do so. In the meantime, I wanted to send you this note. It is so much fun to find another distant relative. Best of luck with your searches,

Sincerely,

Lorri Sipes

RHODES TIPTON

1840 Rhodes (Roads) Tipton is living in Athens Twp, Athens County, Ohio with his wife and 6 young children. Athens County is in the southeastern part of Ohio, near the Ohio River.

SPECULATION: the family moved to Iowa, and shortly thereafter she died (in childbirth?). Rhodes was left with 6 children and parceled out the 4 younger ones, and took the two sons to find a wife and a new life.

1850 Four younger children (Charles, Caroline, Martha and Fanny) are listed in the Iowa census, in four separate households in Van Buren and Davis County in southern Iowa. The whereabouts of Rhodes, sons William and Jarrett are not known.

SPECULATION: Marries again and gathers all the children together and takes everyone to Kansas, including Caroline's new husband, John Powell and their infant son William. Head for Lawrence Kansas, 1854.

1855 Territorial census lists Rhodes with wife Rebecca, Jarrett, Charles, Martha, Fanny (F. Anna), and 3 new daughters and Ellen Moore, unknown relationship (wife's sister?). Caroline is with her husband John, and William is with them, also in the Territory.

1857 Wm marries Mary Oliver.

1859 Jarrett sells his land - does he move away?

1860 Brothers William, Jarrett and Charles are all farming together in Lykins County, Kansas. Rhodes and Rebecca are in Linn County with three young children, Emily, Sarah and Edward.

Civil War William served and died. Charles served, returned to KS.

1880 Charles is living in Stanton.

1881 Charles dies.

TIPTON Died, in Wayne township, this county, Monday, March 24, 1879, WILLIAM TIPTON, in the 94th year of his age.

--Steubenville Weekly Gazette, Friday, March 28, 1879.

William Tipton, the oldest citizen of Wayne township, died Tuesday morning, March 25th, at his residence near Bloomfield, at the advanced age of 93 years and 19 days. Mr. T. was born in Baltimore county, Maryland, March 6, 1786, and came to this section of the country with his father in 1800, locating on a branch of McIntyre Creek.

He was married in June 1807, at the age of 21, to Miss Rebecca Matthews, with whom he lived on the farm adjoining the one upon which his father located until February, 1875, when death severed the tie by which they had been united for a period of 68 years. He was the father of eleven children, six sons and five daughters, of whom, John, James, Samuel, Charles M., Elizabeth, Nancy, Mrs. F. B. Cole and Mrs. Augustus Carter survive him. Jared, Mrs. Mary Williams and William had passed through the valley before him, as if to welcome the father on the other shore. He was a member of the M. E. Church....highly esteemed by the people....

He was buried at Bloomfield on the 26th,...Notwithstanding the inclemency of the weather, a large number was in attendance to pay the last tribute of respect to this aged father in Israel.

--Steubenville Weekly Gazette, Friday, April 4, 1879.

TONER Died...last Tuesday the little 31 months old daughter of Robert and Mary Toner, who resides on North Ninth street, died of cholera infantum. --Steubenville Weekly Gazette, Friday, July 18, 1879.

TOUVELLE Died, at his residence in Celina, Ohio, Tuesday, April 24, 1879. GEORGE TOUVELLE, formerly of this county, in the 74th year of his age. --Steubenville Weekly Gazette, Friday, June 6, 1879.

"DEATHS RECORDED IN JEFF. CO OHIO 1867-1887"
 REVA ASHCRAFT + LEILA S. FRANCY 1985.

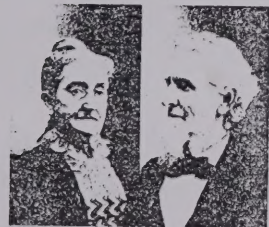

A most unusual relic was compiled by Filson Studios for the Staubenville Centennial Celebration of 1897. It is in poster form and measures 35 by 17 inches. A large center photograph measures 14 by 17 inches and contains 1223 individual numbered portraits of early citizens, all deceased as of 1897. On either side of the photo are names and numbers identifying each of the 1223 subjects. This list of names and numbers is reproduced on the pages that follow, however, some of these names are not in alphabetical sequence.

This photograph has been used as a background for the cover of this book. A reprint of this poster was made in 1975. Copies are available from Jefferson County Historical Association in Staubenville.
